DEDICATION

Sometimes during the past years, it may have seemed to you that your efforts to educate our minds, train our bodies, and cultivate our manners were in vain, and you must have despaired of achieving any worthwhile results. But we wish you to believe that we are not insensible to all that you have done for us.

You have been interested in us personally, and your kindness and patience have made our lives very pleasant and our tasks less difficult. We shall look back to these years as the most enjoyable and interesting of our lives, and to you as a sincere friend, one whom we will ever hold as an example of ideal womanhood.

We shall be happy if, when you look upon this in future years, you will think kindly of your pupils at Union City Area High School.

SENIOR CLASS ADVISERS

Miss Clara Durbin, Mr. Glenn McKinney, Mr. William Rohde, Mr. Paul McInerney.

The Senior Class wishes to thank our advisers for the deeply appreciated guidance and supervision which they extended to us during our senior year.

IN MEMORIAM

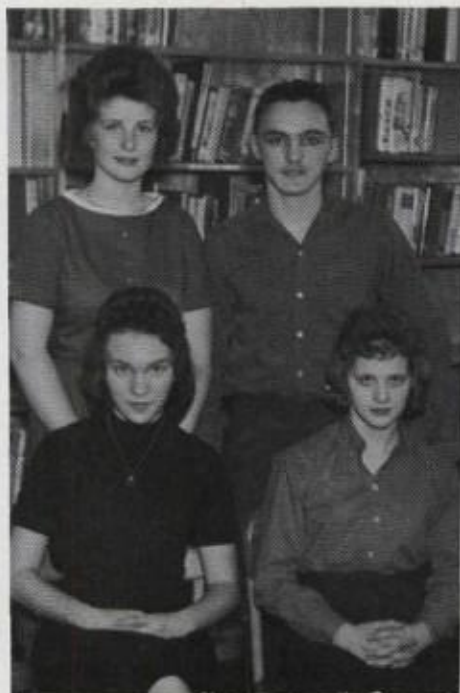

The chain of fraternal friendship
Is made of links of gold
Which we fondly hold and cherish
Our friends, both new and old.

Then, one by one, they sever,
Just why we cannot tell,
But we trust the Heavenly Father
Who doeth all things well.

The Union City Area High School Library opened its new quarters the latter part of September. Since that time the "hum of industry" has been heard during every period. The Library assistants with Miss Clara A. Durbin, Librarian arranged the various sections of the library so that materials and books are easily accessible to the students and faculty.

During the year the Library Staff sponsored the sale of candy and Christmas cards, notebook paper and pens. They had their annual Christmas dinner and attended a basketball game in a group. The staff will send representatives to the annual Library Conference at Clarion.

Awards were presented to the following for services to the library.

The year 1960-61 has been an active and successful year for the F.T.A. Club.

Our big project for the year was our dance, "Beauty Unadorned," which was very successful.

We had the dance after the first basketball game which was also a great success.

During the year we provided the candy for the faculty room.

At the Nickel Carnival which was held May 12th, the F.T.A. had the refreshment stand.

We sent a representative to the Erie County Educational Association Annual Spring Banquet.

Our club had a Formal Initiation which was held at the Ritz Restaurant. The speaker for the evening was Dr. Van Laningham who is in charge of the Student Teacher Training at Edinboro State College.

The keystone and the flaming torch. As a builder uses a keystone to insure firmness and strength in an arch, so our lives may be kept true to the highest ideals of mankind by the virtue represented by the letters on our keystone: SCHOLARSHIP, CHARACTER, LEADERSHIP, and SERVICE. The flaming torch is an emblem of our purpose. To lead by the light of the ideals which the National Honor Society has set before us, to serve our school by fostering and encouraging high ideals--this is our purpose.

Americans Abroad Exchange
Student
Harold Cooper

Last summer Harold Cooper had the wonderful opportunity of traveling to Germany and living with a German family. He encountered many interesting and informative experiences during his eight-week stay.

The purpose of the American Abroad program is to establish better world relations and understanding. A person participating in this program has the opportunity for a wonderful vacation, but more important he develops a deep understanding of how people in other parts of the world live and think.
